Sound Beach, Conn., May 25th, 1921. The New York Herald,

New York City.

The New York Herald has always lived up to its traditions.

Personally, I have always believed in The Herald as the best advertising medium. After all, it is widely read, and used by real Americans.

I remember well that whenever we were abroad we made I remember wen that whenever we were abroad we made it a point not to miss the Paris edition of your valuable paper.

My own Country Board ads, I am very glad to say, have brought me the best of luck and I do feel very grateful.

I desire to have the seven line ad in next Sunday's edition again and the Sunday following, twice in all, and have bill forwarded to the forest through the seven line and the sunday following.

I desire to make a sunday following, said and the Sunday following, warded to me for settlement.

Thanking you very kindly, I remain,
